Supplied with powder coated steel basket and hanging hooks to store all your barbecue utensils. Suitable for use with gas bottles up to 13kg. Some simple assembly required.

Safety Instructions

• GENERAL SAFETY

- **WARNING! The warnings, cautions and instructions in this manual cannot cover all possible conditions and situations that may occur. It must be understood by the operator that common sense and caution are factors which cannot be built into this product, but must be applied by the operator.**
- Check tightness of fixings periodically.
- Ensure plancha is placed centrally.
- Only use on level ground.
- Risk assess area where trolley is to be used.
- Refer to Safety section of plancha instructions for information on safe location and use of the trolley.
- **DO NOT** use plancha with gas bottle on the shelf of the trolley.
- **DO NOT** move the trolley whilst the plancha is lit.
- Keep children and pets away from the area.
- **WARNING!** Although we take every effort to ensure that the assembly process is as easy as possible, it is inherent with fabricated steel parts that corners and edges can cause cuts if improperly handled during assembly procedures. Be careful while handling any parts during assembly. It is strongly recommended that you protect hands with a pair of work gloves.
