2. INTRODUCTION

Super bright 20W SMD LED light produces 1800 lumens with three brightness settings. Built-in power bank with 5V=1A USB output for providing power on the go. Worklight base can be rotated to provide light at any angle. The stand also features strong magnets so the light can be attached to any ferrous surface and a fold out hook in the stand base can be used to hang the worklight. Easy-to-read charge indicator displays the battery level while charging. Charges via a USB Type-C cable (supplied). Lightweight unit folds flat and is very easy to transport.
